Kingsley Bate Dealer Price List 2020

REPLACEMENT CUSHIONS

We work with Deka as our cushion supplier-separate lists are available outlining the fabric grades. Lead time for most standard Sunbrella fabrics, Makers, Elements, Dimension and Pure is 2 weeks. Designer fabrics carry a 15% surcharge. Sunbrella Fusion is 4 weeks. For fabrics not listed in the Deka guides, but listed in the Kingsley Bate catalogue are a 12 week (minimum) lead time, plus there is a 15% upcharge on the complete item, not just the cushion. For specific details, pricing and lead times, please contact our office.

HIGH PERFORMANCE CUSHIONS

For furniture that is completely exposed to the elements, consider one of our high performance cushion options.

Water Resistant Liner

Our water resistant liner encases the cushion fill, providing a layer of protection against water penetrating the core. The liner may be ordered with our entire range of fabrics, (except Sunbrella rain) and with C.O.M. **Note:** *Liner not recommended for commercial applications.*

The liner is highly water resistant -and thus reduces drying time - but is not waterproof. If a cushion gets wet, unzip it to release water from the fabric cover, stand it on its edge in a sunny location (zipper side down), and allow it to dry. The liner is breathable and any water that penetrates it will evaporate.

A 15% upcharge applies to cushions with a liner; specify "ADD WATER RESISTANT LINER" on your purchase order.

Sunbrella® Rain

Sunbrella Rain fabric is highly water resistant and helps to prevent water from entering the cushion fill. Cushions made from Rain fabric differ in construction from our standard cushions and are not reversible. Priced at Grade AAAA level. **Note:** *Liner may not be used with Sunbrella Rain fabric.*

Reticulated Foam

with C.O.M. Additional charges apply. Cushions may not be reversible. Contact Customer Service for pricing.
